A few pictures to share with you from October. Thankful for a fun night as we had Identity Theft and Noah show up. Also, sometimes our board games are the best games we have.

As I shared in the short update, meals are a vital part of our evenings, pray about getting involved, email [keith@straightstreet.org](mailto:keith@straightstreet.org). The Lord has blessed Straight Street with numerous, unique ministry opportunities, please keep praying for volunteers and the support needed as we prepare for 2019.

## ***A Simple Meal, Huge Impact***

We often take our daily meals and snacks for granted, wondering what we will eat while looking into a cabinet full of options. For many, this is not their normal. In our country and community we have an excess of food, the problem is distribution and wise decisions on what to eat.

I am thankful the Lord has provided us diner and allows the ministry to provide meals several times a week through the various outreaches. Our new addition will have a full kitchen that will be used to teach cooking and nutrition classes.

This past Saturday, November 3<sup>rd</sup>, we were reminded how important meals are to the teens – and their families too. A young man took his dinner meal and covered it, set it aside and sat with friends. After the meal, he took his covered plate and tried to slip away. We stopped him and asked if he was okay. His reply was yes, just wanted fresh air.

As he slipped outside, we followed and asked if he was leaving. He replied, no eye contact, yes, taking food to his brother. My heart broke as a I watched a 14 year old take his supper meal and walk to his brother's house so that his brother could eat. Pray as this is not uncommon with those we serve.

Straight Street is blessed with an amazing mission field and with your continued prayers and support, we are able to see lives changed for His glory. *Pray for year-end giving as that time is quickly approaching.*
